## about marco de carlo

### **Difference Designs**

Marco de Carlo's unique designs are manufactured in England by time served technicians using luxurious materials from select sources worldwide.

### **Optimum Quality**

Rarely seen these days all products are hand made to exacting standards and manufactured in accordance with local & international standards.

### **Bespoke Products**

Each design can be modified in size or shape & produced in a different material (see colours section). Alternately completely new products can be produced to meet a specific theme.

### **International Appeal**

Marco de Carlo's products are supplied to exclusive buyers worldwide, from Dubai to New York, from London to Milan.
